Dear Sir or Madam,

Enclosed is a check for \$130.00 to continue Utility Patent application 09/963,748. Your notice to us asking for additional money was never received.

Our mail was interrupted. Many pieces were lost or destroyed. A change of address didn't help because it was applied for after the date of your notice.

We called the Patent Office to get some information on our application. This is when we first learned of the missing parts letter.

We never had any intentions of abandoning our application. Our new address is:

8453 Cedar Lane Road  
Berlin, Md. 21811

Sincerely,

James Entwistle
